

PASSIVE FIRE PROTECTION FOR MARINE

INDUSTRIAL Solutions

Your solution for passive fire protection and welding protection in the marine sector

Ocean Blue and Anchor Grey for your individual technical requirements

+ Robust and durable thanks to special coating

+ Fire and heat protection performance up to 1,000°C*

+ MED-certified, adhesive-free fabrics

Weld Guard Ocean Blue and Weld Guard Anchor Grey for individual needs

Weld Guard Ocean Blue

- ✓ Heat resistant up to 1,000°C (*burner test)
- ✓ Robust, durable fabric to protect large areas

Weld Guard Anchor Grey

- ✓ Heat resistant up to 750°C
- ✓ Light fabric for easier unwinding/winding

Our sustainable offer

Protecting health and materials:

Passive fire protection for staff and surfaces/equipment against fire-related injuries/damage

Reduced use of resources:

Product properties allow application of one layer instead of multi-layered cloths

Transport routes:

Reliable European supply chain: less CO2 emissions through transportation
